### **Traditional Finnish Smoke sauna & bath tub**

The traditional form of Finnish sauna that is built out of logs and heated slowly over several hours. You can enjoy the mild heat of the sauna and enjoy the relaxed and peaceful experience. After sauna take a dip into warm bathing tub. Perky freeze and snow increase the feeling. Fresh air and warm bathing water together relaxes your body. Specialized sauna-guide will introduce you to the world of Finnish smoke sauna. Add Finnish style of nature activities into this sauna product like fishing, picking berries, mushrooms, archery, throwing hatchet, snowshoeing on wintertime, sausages/pancakes and coffee/hot chocolate on open-fire. Or maybe spot animals like elks, wolverines, deers or many kind of birds from the watching tower!

Towels, detergents and homemade berry juice included into package.

*Duration: 3-4 hours*      *Rate on-request.*

### **Kalajoki Visitor Centre:**

#### **Guided tour for study visits, theme Baltic Sea**

During the tour we learn about the geography of the Baltic Sea and surrounding countries, with different hands on activities at the exhibition. The last Ice Age Weichsel formed our landscape and we learn to see some traces of that in Finnish Nature. During the tour we watch the film about the Baltic Sea and get to know special characters of this special Sea that is ice covered during

winter. We also get to know some main species of the Baltic Sea and the Bothnian Bay.

*Duration: 1 hour*      *Rate on-request.*

### **Adventure Park Pakka**

Finland's most versatile adventure park! A range of adventure courses built into trees complete with exhilarating ziplines offer fun and exciting outdoor adventures for thrill-seekers of all age groups and skill levels. The park also offers Bungee Trampolines, The X-tower, an 18-hole disc golf course, Pakkagolf, archery contests, etc. *Duration: 2-3 hours*      *Rate on-request.*

### **Snow/ sand yoga**

Experience the soft touch of nature or the cold embracing extreme experience. Sand, snow and ice have dominated the local surroundings for centuries. Local lifestyle and livelihood have based on these elements, and at the hard times people have sought strength and peace from nature. This product combines easy yoga movements, winter and outdoors. When there's no snow, the product changes into Sand Yoga that is based on same elements of tranquility, space and pure sea air. In front of the

silence and infinity of the sea, you'll become one with the nature.

*Duration: 1 hour*      *Rate on-request*
